

TO THE FCC: I WOULD REQUEST YOU REJECT NAB'S PETITION 04-160. I AM AN OVER THE ROAD DRIVER,AND I USE XM'S TRAFFIC FREQUENTLY. I AM ABLE TO GET INFO, LONG BEFORE MY REGULAR RADIO CAN PICK UP LOCAL STATIONS,AND AM THEREFORE ABLE TO MAKE ROUTING DECISIONS SOONER TO AVOID POSSIBLE DELAYS.AND I MIGHT ADD,I DO NOT ALWAYS KNOW THE STATIONS LOCATION,ON THE DIAL,SO INSTEAD OF CONSTANTLY SEARCHING THE DIAL,I AM ABLE TO QUICKLY ACCSESS TRAFFIC INFORMATION.XM RADIO HAS COME UP WITH A VERY VALUABLE TOOL IN HELPING DRIVERS,AND I THINK IT WOULD BE A MISTAKE TO LIMIT THEIR SERVICE TO THE AMERICAN PEOPLE.I WOULD HOPE THAT XM WOULD BE ABLE TO EXPAND THIS VALUABLE TOOL TO OTHER CITIES.IT IS A VERY GOOD SERVICE,AND I FIND IT HAS BEEN VERY ACCURATE.THANK YOU FOR THE OPPURTUNITY TO EXPRESS MY OPINION, JAMES K(enny)CLEMONS
